Dave Chetwyn

A very useful meeting with Dave Chetwyn of Urban Vision, consultants working with Locality, who gave us a lot of information on how to move forward and what his firm could offer as consultants if appointed. A relatively simple plan could, he believed, be coming to the vote by Autumn next year.

It was agreed to meet again at **7.30 on Monday 1st August**, in the Stubbs Lounge, Woore Victory Hall, with the intention of deciding if we now go forward and if so what next few steps should be, including a decision on using a consultancy: maybe after also meeting another possible provider.

After a discouraging meeting with Shropshire planners, who appeared to want us not to continue, the future of the Plan was discussed. Including absentee votes there were unanimous decisions:

- 1 to proceed with the process
- 2 to do so now rather than deferring it for a period
- 3 to meet and if suitable engage consultants
- 4 to prepare as the next step a short questionnaire leaflet seeking more views
- 5 to engage with residents at the delayed school fete

Apologies: Mike Moore

Members received a presentation from, and discussed the services that could be provided by Lucy Hughes, of Cheshire Community Action group. She believed the timescale was nearer 2 years than one. It was agreed to engage CCAG as consultants for the Neighbourhood Plan.
